The Original Cocktail Bomb™

## The Original Cocktail Bomb!

In 2017, crafted cocktails were suddenly everywhere. On the rocks. Frozen. Stirred, not shaken. This surge in cocktails led Chloe di Leo down a path she wasn't planning - crafting artisan, hand-made, dissolving craft cocktail bombs.

MyDrinkBomb™ exploded onto the craft cocktail scene in a major way in late 2019, and has since gone from local curiosity to international sensation.

Let us help you create the perfect cocktail party atmosphere with the original craft cocktail drink bomb! Over 40 flavors, rimming sugars and sugar bombs, dried flowers and fruits garnishes, infusion jars, and even edible glitters!
